It was necessary, and if Antifa started it we should thank them.

What is with all the weenies crying about it!?

This was peaceful civil disobedience and we should stand behind it 100%.

Exactly... what is this bullshit about violence is not how we do things in America.... it is HOW WE WERE FOUNDED.... violence against our governing oppressors is AMERICAN ... it's our history and our future

Hear some conservatives on YouTube calling this "unnecessary" and that it makes us look bad to which the left will use this against us.

Fuck them! We could have just stood out in the streets peacefully and they would still call us every name in the book. Why not just let us go out on our shields and not give a fuck what they think? They stole an election in front of our own eyes!!

If no one went in, it would have only been antifa and secret service and their trick would have failed and a patriot would still be alive. And Congress would hAve remained nervous.
